Camping at “Bushy Park”

Ambrose competition | 2 players per team

More information coming soon

LOV Golf was founded on the idea of bringing together like minded people. It encourages us to get together, play golf, experiment in new sports and to venture out of our comfort zones.

Most importantly, we wanted to create an event that could raise money for Parkinson's Research and Men's Mental Health. These charities are at the core of LOV Golf and the idea of raising money for causes close to us has driven this entire project. So far we have raised over **\$16,000!!**

What is it?

The LOV Golf competition occurs yearly, touring around the South-East of NSW. Each tournament consists of one 18 hole round of golf at one of the local courses.

The tournaments are based on the stroke score of each individual ambrose team, calculated using devised handicaps suited to all players. GOLF GAMEBOOK is the app used to live score the event which everyone can download on their mobiles.

Group prizes for 1st, 2nd and 3rd are awarded at the end of each trip as well as individual prizes for Nearest to the pin (NTP) and Longest drive. We have chosen to tour the competition across multiple locations around the South-East of NSW to get people out and about, experiencing new places and testing their comfort zones.
